18th March 2020

Dear Parents/Carers,

We have a new convenient way for you to **access, review and request changes** to the data held on you and your children direct from your phone as well as see key term dates.

From the **25th March**, you'll be able to access our new SIMS Parent app and website at your own convenience via smartphone, tablet or PC – anytime, anywhere.

What will you find in SIMS Parent:

- School term, inset dates and contact details available at the click of a button
- Access to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access this information for all your children, from the same app.

Getting started with the SIMS Parent

1. We will be sending **both parents/carers** (if applicable) an activation email on the **25th March** (to the email address we currently have for you on our system); simply click on the link from your tablet, PC or smartphone to activate your account. If you do not receive this email or need to update your email address, please let the school office know asap.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk
