Hosted by the Mental Health Foundation, Mental Health Awareness Week will take place from 10-16th May 2021. The theme is 'Nature'.

There are many ways that we can find to connect with nature, wherever we are.

We build our connection to nature through our own personal experiences

- what we feel, think and experience in our interactions with the natural

environment. Connecting with nature is not just about the amount of

time we are spending outdoors; it is also about building a relationship with

nature by noticing and becoming sensitive to what is around us. We use our senses to do this. It can take time, and practice, to engage with nature in a meaningful way and develop our own connection with the natural environment.

To explore ways of connecting to nature for mental health please explore the link.

Little Herons Pre-school

This week the children have enjoyed using the playdough mats, following the instructions to enhance the rainforest animals. They have also had their first 'go' on the new Ipad's, not only learning how to use them safely but how to treat the poorly rainforest animals on the Jungle Doctor App. Well done everyone!

NSPCC Number Day/Speak Out Stay Safe – Go Green for Buddy Non uniform day

Just to remind you that on Friday we will be holding a non-uniform day to raise funds for the NSPCC. Children can choose either to dress in green (as part of the Go Green for Buddy – Speak out Stay Safe campaign) or to wear a number (as it is the NSPCC Number Day). No uniform is required unless your child wants to of course. To mark the day Mrs Green will do a special Number Day assembly and the children will be taking part in a Speak Out Stay Safe workshop at some point on the day. You should have received the letter to parents/carers via ParentMail regarding the assemblies that we will be holding.

School Lunch Order Reminder

For w/c 10th May orders must be placed by midnight today Wednesday 5th May. Unfortunately, orders placed after this date/time will not be able to be processed and you will need to provide your child with a packed lunch for that week. If your child has any special dietary requirements you must email the school office before the order cut off. If you are unable to order lunches via ParentMail, please email the school office asap. Otherwise please ensure you provide a packed lunch for your child.

Kind regards,

HMorley

Helen Morley.
