Newsletter 19/05/20

Dear Parents/Carers,

A special plea from Minnow class to start our newsletter this week.

Minnow Class are looking for your unused tester paint pots. We'd like to use the paint on some arty projects so if you have any tester pots of paint, please send them in!

We are also looking for unwanted work tools that we can use in Minnow Class, including tape measures, screwdrivers, spirit levels, pliers, small hammers, nails/screws, clamps etc. We are hoping to set up a supervised work station over the next few months and would love some proper tools.

Our 'Big Question' of the Week

Who do you trust?

Well Being: Tips

Do something helpful for bees and insects. Choose a pollen rich plant to place outside, build a bug hotel, leave some long grass... enjoy time outside to pause, to really observe our insect friends going about their lives, appreciate their micro world, our beautiful world and know that it is good.
