

Little Herons Pre-School

Safeguarding and Welfare Requirement: Health

Where children are provided with meals, snacks and drinks, they must be healthy, balanced and nutritious

6.0 Health

6.3 Food Hygiene

(Including procedure for reporting food poisoning)

Policy statement

At Little Herons Pre-School we provide and/or serve food for children on the following basis;

- Snacks.
- Packed lunches (provided by parents/carers)

We maintain the highest possible food hygiene standards with regard to the purchase, storage, preparation and serving of food.

We are registered as a food provider with the local authority Environmental Health Department.

Procedures

- The person in charge and the person responsible for food preparation understands the principles of Hazard Analysis and Critical Control Point (HACCP) as it applies to the pre-school. This is set out in *Safer Food Better Business*. The basis for this is risk assessment as it applies to the purchase, storage, preparation and serving of food to prevent growth of bacteria and food contamination.
- All staff follow the guidelines of *Safer Food Better Business*.
- All our staff who are involved in the preparation and handling of food have received training in food hygiene.

Little Herons Pre-School

- The person responsible for food preparation and serving carries out daily opening and closing checks on the kitchen to ensure standards are met consistently. (See *Safer Food Better Business*.)
- We use reliable suppliers for the food we purchase.
- Food is stored at correct temperatures and is checked to ensure it is in-date and not subject to contamination by pests, rodents or mould.
- Packed lunches are stored in a cool place; un-refrigerated food is served to children within 4 hours of preparation at home or perishable items are labelled with child's name and stored in the pre-school fridge.
- Food preparation areas are cleaned before use as well as after use.
- There are separate facilities for hand-washing and for washing up.
- All surfaces are clean and non-porous.
- All utensils, crockery etc are clean and stored appropriately.
- Waste food is disposed of daily.
- Cleaning materials and other dangerous materials are stored out of children's reach.
- Children do not have unsupervised access to the kitchen.
- When children take part in cooking activities, they:
 - are supervised at all times;
 - understand the importance of hand washing and simple hygiene rules
 - are kept away from hot surfaces and hot water; and
 - do not have unsupervised access to electrical equipment such as blenders etc.
 - do not have unsupervised access to electrical equipment, such as blenders etc.

Reporting of food poisoning

- Food poisoning can occur for a number of reasons; not all cases of sickness or diarrhoea are as a result of food poisoning and not all cases of sickness or diarrhoea are reportable.
