Shark Class Curriculum Newsletter - Autumn Term

Dear children and parents,

Welcome to a new school year! We hope you had a lovely summer break. Year 6 have made an excellent start to the term; such lovely, positive and enthusiastic children so we are all very much looking forward to the year ahead. Here is an outline of this term's curriculum, which we are very excited about.

Please see jigsaw for topic coverage/content by subject.

PE - Friday p.m. with Mr Bulbeck.

Homework

Reading - Children need to read their Accelerated Reader book for 10 minutes, 5 times a week.

Please could an adult sign the Reading Log to say this has been completed.

Maths Homework/Times Tables - Given out on Friday and to be in by the following Thursday. We

are having a real push on knowing times tables multiplication and division facts with fluency/instant recall. All the children will be expected to do at least 5 x 10 mins per day on TTRockstars each week and this will be monitored closely, please could the children initial TT in their log book each day once they have been on, as well as their reading information. Some children may only have times tables and division facts for homework until we are happy that they are fluent enough in them.

English/Topic Homework - Given out generally on a Tuesday but occasionally on a Monday, dependent on how it fits in with the children's learning, and a week is given to complete it and hand it in.

Spellinas - To be tested on Mondays. New spellings to be given out on Mondays.

HMorley

for your cooperation. Do not hesitate to contact us with any queries you may have, either in person or via e- mail through the school office.

Best wishes,

Mr Bulbeck, Mrs Buckerfield
