Statement of intent

At North Curry C of E Primary School, the pupils and their learning are at the very heart of every decision we make. This policy reflects our school community, does not discriminate against any protected characteristics and is in line with our Christian vision and values.

At North Curry CE Primary School:

We believe that every child is unique and valued. We aim to provide an environment in which all pupils feel safe and can flourish. We will respond to individuals in ways which take into account their varied life experiences and particular needs. We are committed to providing an education with aspirational outcomes, which enables all pupils to make progress, become confident individuals living life in all its fullness (John 10,10).

In our school our Christian vision shapes all we do. Our vision is underpinned by the Christian values of Koinonia, Kindness, Respect, Joy, Hope and Happiness.

Introduction

Learning a foreign language is part of the primary National Curriculum and is a requirement for all children within key stage 2 (KS2). North Curry C of E Primary School has adopted a whole school approach to the teaching of French to all KS2 pupils.

Aims

Our aim is to develop the confidence and competence of each child in the foreign language they are learning. Our goal is for them to be passionate, curious and confident about their own foreign language learning abilities when they finish the primary school phase of their education.

We will help them develop and demonstrate substantial progress in the 5 key language skills necessary for learning French:

- Speaking
- Listening

Adapted from 'The School Bus' and 'The National College' Foreign Languages Policy

- Reading
- Writing
- Grammar

We aim to ensure that pupils of all abilities develop solid foundations in these key language learning skills - properly preparing them for the next stage of their language learning journey. These skills will develop children's ability to understand what they hear and read and enable them to express themselves in speech and writing. We will extend their knowledge of how language works and explore the similarities and differences between the foreign language they are learning and English. We will also help strengthen their sense of identity through learning about culture in other countries and comparing it with their own.

Teaching and Learning Overview

Our whole school approach to language teaching and learning is in line with the recommendations of the National Curriculum and the requirements outlined in the Department for Education Languages Programme of Study for Key Stage 2.

The National Curriculum for languages aims to ensure that all pupils:

- Understand and respond to spoken and written language from a variety of authentic sources
- Speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation
- Can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt
- Discover and develop an appreciation of a range of authentic writing in the language studied.

By the end of key stage 2, pupils should be able to:

1. Listen attentively to spoken language and show understanding by joining in and responding.
2. Explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words.
3. Engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help.
4. Speak in sentences, using familiar vocabulary, phrases and basic language structures.
5. Develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases.
6. Present ideas and information orally to a range of audiences.
7. Read carefully and show understanding of words, phrases and simple writing.
8. Appreciate stories, songs, poems and rhymes in the language.
9. Broaden their vocabulary and develop their ability to understand new words that are introduced into familiar written material, including through using a dictionary.

10. Write phrases from memory, and adapt these to create new sentences, to express ideas clearly.
11. Describe people, places, things and actions orally and in writing.
12. Understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms and the conjugation of high-frequency verbs; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English.

Displays of the topics being taught in French will be displayed around individual classrooms (if space allows) or will feature on a general school board.

Organisation and Delivery

French is taught in a whole-class setting by the class teacher.

Teachers plan their lessons using the Language Angels scheme of work and can supplement this with their own ideas and experience and those of their colleagues.

The lessons are designed to motivate, captivate and interest children from the first moment. They have clear, achievable objectives and incorporate different learning styles. SEND children have access to the curriculum through variation of task, grouping or support from an adult.

Each class has a timetabled lesson of at least thirty minutes per week.

French can also be revisited in short sessions throughout the week to consolidate knowledge and ensure new language is retained.

French lessons include:

- PowerPoints and interactive whiteboard materials
- Interactive games (which pupils can access from home to consolidate their learning)
- Songs & raps
- Differentiated desk-based consolidation activities
- Worksheets (at three different levels of challenge) are provided throughout each teaching unit and can be used in class or can be sent home to be completed as a homework exercise

Each lesson will focus on a combination of the 5 key language learning skills (speaking, listening, reading, writing and grammar).

Below are the units which will be covered in the academic year 2025/26:

Term	Dolphin Year 2/3	Octopus Year 4/5	Shark Year 6
Autumn	Greetings Presenting myself	The Date In the Classroom	Phonetics 1&2 What is the Weather?
Spring	Family Seasons	Animals Habitats	Weekend
Summer	Fruits Vegetables	At the Café Olympics	Planets

Resources

The Language Angels scheme is a fully online resource enabling all teachers in all classes to have instant and continuous access to all the resources they need to teach whichever lesson they choose.

Evidence of Teaching & Learning and Transition at End of Key Stage

Where appropriate worksheets completed by the children will be kept in their books which can be passed through the years and become a portfolio of their learning.

This information along with the pupil's individual Learning & Progression Timeline and skills progress reports can be forwarded to their secondary school at time of transition.

Assessment of Pupil Learning & Progression

Two forms of assessment are available at the end of every Language Angels unit:

1. Peer and self-assessment 'I can do...' grids. A quick and easy way for all pupils in the class to record which units they have completed and the progress they are making.
2. More detailed skills-based assessments using bespoke skills assessment worksheets. This form of assessment enables us to determine the learning and progression of all pupils in the key language learning skills as well as monitoring their progress against the 12 attainment targets stipulated in the DfE Languages Programme of Study for Key Stage 2.

Monitoring and Evaluation

The Subject Leader informally monitors the effectiveness of the language teaching provided throughout the school through termly book looks and pupil voice.

The Subject Leader will encourage, where appropriate, class assemblies and presentations in French. They will also encourage cross-curricular topics be taught in French to knit together various areas of the curriculum.

All data, ranging from evidence of classroom teaching to individual pupil skills reports, is securely stored on the one drive or one the North Curry C of E Primary School Language Angels site. This can be accessed by class teachers, the Subject Leader and SLT so all key stakeholders can evaluate delivery, performance and progress.

The headteacher will review this policy on an annual basis, considering feedback from practitioners on the effectiveness of the identified support for transition and in light of changes to the law or statutory guidance, and will make any changes necessary.

The next scheduled review date is September 2026.
