Dear Parents and Carers,

The school will use photographs, record sound and video as part of learning that takes place in the school. All staff are aware of their responsibilities and they will always take care with how the images and sound are collected and how they are stored.

Details of the school's policy on the taking, displaying and publishing of pupil images and sound are included within our online safety policy available on our website. We also include the major conditions on the next page. The measures in this policy are designed to ensure that the school does everything it can to protect children.

**There are also times when we would like to use images, video and sound recordings to inform the local community about what is happening in the school through our website, social or local media such as newspapers and Facebook.**

Please could you complete the form to consent to the above.

If for any reason during your child's time at the school you wish to withdraw your consent, please inform us as soon as possible.

Yours sincerely,

Mrs Helen Morley  
Headteacher
