Shark Class Curriculum Newsletter - Autumn Term

Dear children and parents,

Welcome to a new school year! We hope you had a lovely summer break. Shark Class has made an excellent start to the term; such lovely, positive and enthusiastic children so we are all very much looking forward to the year ahead. Here is an outline of this term's curriculum, which we are very excited about.

Please see jigsaw for topic coverage/content by subject.

PE - Tuesday p.m. with Mr Bulbeck. Pupils may wear their PE kit all day on Tuesdays.

Homework

Reading - Children need to read their Accelerated Reader book for 10 minutes, 5 times a week. Please could an adult sign the Reading Log to say this has been completed.

Maths Homework/Times Tables - Given out on Wednesday and to be in by the following Tuesday.

Times tables tested on a Friday. We are having a real push on knowing times tables multiplication and division facts with fluency/instant recall. All the children will be expected to do at least 40mins on TTRockstars each week and this will be monitored closely. Some children may only have times tables and division facts for homework until we are happy that they are fluent enough in them. Then, homework will be based around the Maths topic being covered in class.

English/Topic Homework - Given out a Friday to be handed in the following Thursday. Based on Vocabulary, Grammar and Punctuation.

Spellings - To be tested on Mondays. New spellings to be given out on Mondays.

Thank you for your cooperation. Do not hesitate to contact us with any queries you may have, either in person or via email through the school office.

Best wishes,

Mr Bulbeck and Miss Bown
