North Curry C of E Primary School believes that a consistent school uniform policy is vital to promote the ethos of the school and provide a sense of belonging and identity for all pupils, regardless of their protected characteristics or socio-economic circumstances.

For the purposes of this policy, **“uniform”** includes the following elements of pupils' appearance:

- Clothing, including the school uniform itself, variations of the school uniform such as PE kits, and other clothing worn at school, e.g. non-uniform.
- Hairstyles and headwear.
- Jewellery and other accessories.
- Cosmetics such as makeup and nail polish.

This policy lays out the measures the school has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, is affordable, and provides the best value for money for both the school and pupils' families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in a way that sets an appropriate tone for education.

1. Legal framework

This policy has due regard to all relevant legislation and guidance including, but not limited to, the following:

- Human Rights Act 1998
- Education and Inspections Act 2006
- Equality Act 2010
- Education Act 2011
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- Education (Guidance about Costs of School Uniforms) Act 2021

- DfE (2021) 'School Admissions Code'
- DfE (2021) 'School uniforms'
- Equality and Human Rights Commission (2022) 'Preventing hair discrimination in schools'

This policy operates in conjunction with the following school policies:

- Complaints Policy and Procedure
- Behaviour and Support Policy
- Equality and Diversity Policy

2. Roles and responsibilities

The governing board is responsible for:

- Establishing, in consultation with the headteacher and school community, a practical and smart school uniform that accurately reflects the school's vision and values.
- Ensuring that the school's uniform is accessible, inclusive, and does not disadvantage any pupil because of their protected characteristics or socio-economic status.
- Listening to the opinions and wishes of parents, pupils and the wider school community regarding changes to the school's uniform.
- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating in this policy how best value for money has been achieved.
- Ensuring compliance with the DfE's '[Cost of school uniforms](#)' guidance.
- Processing and approving all eligible School Uniform Assistance Application Forms.
- Ensuring compliance with obligations under the Human Rights Act 1998 and the Equality Act 2010.

The headteacher is responsible for:

- Enforcing the school's uniform rules on a day-to-day basis.

This policy is based upon a model policy which has been produced by the National College (nationalcollege.com)

- Ensuring that teachers understand this policy and what to do if a pupil is in breach of the policy.
- Listening to the opinions and wishes of the school community in regard to the school's uniform and making appropriate recommendations to the governing board.

Staff are responsible for:

- Ensuring that pupils dress in accordance with this policy at all times.
- Where appropriate to their role, disciplining pupils who are in breach of this policy.
- Ensuring that pupils understand why having a consistent and practical school uniform is important, e.g. school identity.

Parents are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.
- Informing the headteacher if their child requires an exemption to the uniform rules for a period of time, with a reason why.
- Ensuring that their child's uniform is clean, presentable and the correct size.

Pupils are responsible for:

- Wearing the correct uniform at all times, unless the headteacher has granted an exemption.
- Looking after their uniform as appropriate.
- Understanding and respecting why a school uniform is important to the school, e.g. school identity and community.

3. Cost principles

The school will develop its uniform policy in relation to the following starting principles:

- The school will seek to ensure that the uniform is affordable. In so doing, the school will consider the total cost of school uniforms, taking into account all items of uniform or clothing parents will need to provide while their child is at the school.
- The use of branded uniform items will be minimised in accordance with the [branded items](#) section of this policy.
- The school will seek to ensure that uniform supplier arrangements give the highest priority to cost and value for money, including the quality and durability of the garment.
- The school will seek to ensure that second-hand uniforms are available for parents to acquire. This is managed through FONCS (Friends of North Curry School). For more information parents/carers can enquire through the school office.

Principles in practice

In accordance with the 'School Admissions Code', the headteacher will ensure that the school's uniform requirements do not discourage parents from applying for a place for their child.

The school will assess the overall cost implications of its uniform policy regularly, including prior to making any changes to the school uniform. When evaluating whether costs are reasonable and proportionate, the school will take into account the opinions and situations of:

- Economically disadvantaged parents.
- Parents with multiple children who are, or will be in the future, pupils at the school.
- Parents of younger children, as they are likely to grow quickly and require new sets of uniform more frequently.
- Parents of pupils with protected characteristics that may impact their ability to access the uniform.
- LAC and PLAC.

The school will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of certain items, e.g. shirts and socks, to ensure their child can come to school in clean uniform every day.

The school will keep variations in school uniform for different groups of pupils, e.g. year group-specific items or house colours, to a minimum to ensure that pupils can get the most wear out of their uniform and that parents can pass some items down to younger siblings.

The school will meet the DfE's requirements and recommendations on costs and value for money. Care will be taken to ensure that school uniform is affordable for all current and prospective pupils, and that the best value for money is secured through reputable suppliers.

The school will work with multiple suppliers to obtain the best value for money possible. Any savings negotiated will be passed to parents where possible. The school will not enter into exclusive single-supplier contracts or cash-back arrangements. More information on supplier processes can be found in the '[School uniform supplier](#)' section of this policy.

The school will not make frequent changes to uniform requirements and will take the views of parents and pupils into account when considering any changes.

The above consideration to cost will also apply to the school's PE kit, as no pupil should feel unable to fully participate in PE or represent their class or the school because the PE kit is too expensive.

4. Branded items

As of September 2026, the school will limit its branded items of uniform and PE kit to three or fewer.

The school will confirm with parents and pupils which branded uniforms will be compulsory within the above limit and the specification of other optional branded items. All branded items, whether compulsory or optional, will be kept to a minimum and generic alternatives will be permitted.

Parents will be informed of any requirements for generic alternatives of non-branded uniform, e.g. the colour, shade, fabric or fit, so that these items can be purchased appropriately.

A branded item will be deemed compulsory if a pupil is required to have or wear the item:

- For general use at the school.
- To travel to or from the school.
- To take part in any lesson, club or activity facilitated by the school.

The limit on branded items will apply to any branded bags, and any items required only at particular times of the year, e.g. summer uniform.

Where pupils are able to choose between different branded items, e.g. being able to choose between wearing a branded skirt or branded trousers, this will only count as one item as the pupil is only required to have one of those items.

Different branded uniforms may be adopted for different key stages; however, the school will consider cost implications for parents in doing so.

When making decisions about compulsory branded items, the school will consider how it can maintain the benefits of a branded item while also keeping costs low. This may involve using sew-on or iron-on labels or limited branded items to longer-lasting items such as ties, rather than items that need to be purchased more frequently or in larger quantities, e.g. shirts.

Sew-on or iron-on logos applied to uniform items will be considered branded items and included within the school's prescribed limit of compulsory branded items.

All loaned or gifted branded items will be captured within the limit if they are required to be worn. Additional branded items may be loaned, given out, or made available for sale by the school; however, wearing such items will be optional.

Where optional branded items are made available, wearing an equivalent unbranded version of that item will also be permitted.

Generic unbranded items worn by pupils will still need meet the requirements of this policy and should be fit for purpose.

For sporting activities and competitions, pupils will not be required to wear branded items to take part in an activity, unless these items count towards the limit on branded items. The school may give out free additional branded items for sporting competitions and events.

If a pupil is unable to wear a loaned branded item, e.g. for a medical or health reason, the school will allow them to wear a suitable alternative.

5. Equality principles

The school takes its legal obligation to avoid unlawfully discriminating against any protected characteristic very seriously.

In line with the above, the school will aim to ensure that its uniform policy is as inclusive as possible so that all pupils can access a school uniform which is comfortable, suitable for their needs, and reflects who they are, while avoiding any direct or indirect discrimination on the basis of protected characteristics or socio-economic status.

The relevant protected characteristics are:

- Sex
- Sexual orientation
- Religion or belief
- Race (including colour, nationality, ethnic or national origin)
- Disability
- Gender reassignment
- Pregnancy

The school will ensure that parents and pupils are consulted over any changes to school uniform, and that, where appropriate and with pupils' consent, views and advice are sought specifically from pupils, and parents of pupils, who:

- Are transgender or non-binary.
- Are of a religious or cultural background that has specific dress requirements.
- Have SEND and/or sensory needs.

Parents' concerns and requests regarding school uniform and amendments to it are handled on a case-by-case basis by the headteacher and governing board, and always in accordance with the school's Complaints Procedures Policy.

If a requirement will affect a group with certain characteristics more than others, the school will:

- Carefully consider whether the requirement is the best way to achieve aims.
- Think about what mitigations could be put in place.
- Ensure that the requirement is justified and a proportionate means of achieving a legitimate aim to be lawful.
- Allow for flexibility to enable necessary exceptions.

Information on how the school ensures its uniform policy does not discriminate against pupils with specific protected characteristics is outlined below.

Gender

To avoid disproportionately impacting pupils of a certain gender, the school will ensure that the cost of uniform is as equal in price as possible across items for all genders.

This includes:

- Adhering to the procedures laid out in the '[Cost principles](#)' section of this policy.
- Not directly requiring pupils of a certain gender to buy additional uniform, e.g. by requiring female pupils to buy both trousers and skirts.
- Not indirectly requiring pupils of a certain gender to buy additional uniform, e.g. by offering football in PE to only male pupils and requiring they buy football boots to participate.
- Not holding pupils of different genders to different uniform standards, e.g. by banning certain hairstyles for only one gender.

Religion and belief

To avoid disproportionately impacting pupils of a certain religion, belief or culture, the school will ensure that there is flexibility to allow pupils to present themselves in a way that adheres to their dress requirements as far as possible, within the school's uniform policy.

The school will endeavour to meet all requests for amendments to the uniform for these purposes; however, the needs and rights of individual pupils will be weighed against any health and safety concerns appropriate to the circumstances, e.g. if safety headgear needs to be worn.

Race

To avoid disproportionately impacting pupils of a certain race, the school will ensure that its uniform policy does not constitute unlawful indirect discrimination through blanket rules. This includes:

- Not banning hairstyles related to a pupil's ethnic origin, e.g. natural Afro hairstyles.
- Not banning hairstyles worn because of cultural, family and social customs, e.g. cornrows.
- Not banning head coverings related to a pupil's culture or ethnic origin, e.g. African heritage head wraps.

The school will follow the good practice guidance provided by the Equality and Human Rights Commission on '[Preventing hair discrimination in schools](#)'.

SEND and medical conditions

To avoid disproportionately impacting pupils with SEND or medical conditions, the school will ensure its uniform policy takes into account the needs of these pupils. This includes:

- What flexibilities, adaptations, adjustments or alternatives might mitigate any negative impact on these pupils.

- Adopting a more comfortable or less restrictive uniform.
- Determining a more flexible policy that allows pupils to choose from a range of items so they feel more comfortable.

Where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible.

The school will ensure that it works with a supplier that acts in accordance with the school's values and principles on equality and inclusion.

6. Complaints and challenges

The school will endeavour to resolve all uniform complaints and challenges locally and informally, in accordance with the Trust's Complaints Policy and Procedure.

The school will refer individuals who wish to complain to the Complaints Policy and Procedure and request that they follow the procedures outlined therein.

When a complaint is received, the school will work with the complainant to arrive at a mutually acceptable outcome.

Where the subject of a complaint relates to a pupil's protected characteristic, the governing board will carefully consider requests to vary this policy.

The school will agree a procedure with its uniform supplier to deal with complaints about the supply and quality of uniforms.

In considering a complaint, parents should be aware that teachers can sanction pupils for breaching the school's rules on appearance or uniform. The school will expect this to be carried out in accordance with the school's published Behaviour and Support Policy. The school will aim to deal with pupil non-compliance in a proportionate and fair way.

7. School uniform supplier

The school's current school uniform supplier is:

- Mapac Group Ltd
- Unit 6, Mowat Industrial Estate, Sandown Rd, Watford, WD24 7UZ
- 01923 255525

The school uniform supplier will accept school uniform assistance vouchers.

The school will not sign contracts with suppliers before requesting visualisations and samples of proposed uniform.

8. Finding and consulting suppliers

If the school is considering changing its suppliers and seeks a list of available suppliers, it will consider the following options:

- Consulting an industry body, e.g. Schoolwear Association
- Researching local suppliers
- Consulting with other schools and networks
- Having informal discussions with potential suppliers to help determine the school's own needs

If the school prepares to request bids from potential suppliers, it will consider the following elements:

- What products parents will need
- Existing contractual commitments
- Length of tender process
- The school's evaluation process

The school will consider the environmental impact and sustainability of the uniform and how they are sourced.

9. Template documents

Schools will use the DfE's '[Procuring uniform supplies](#)' template documents to ensure that they undergo the procurement process correctly. The templates consist of an invitation to tender, a request for quotation, and a pricing schedule.

Schools will use the invitation to tender template to ask questions of suppliers. Schools will then use the pricing schedule to ask suppliers to submit their prices. Full instructions on how to use the templates are included in each of the documents.

10. Uniform assistance

The school will support disadvantaged families in meeting the costs of uniforms. School uniform assistance will be provided via a voucher that can be spent on school clothing. The budget for the school uniform assistance scheme will be derived from pupil premium funds.

For parents to claim school uniform assistance, their children should be eligible for FSM. Eligibility will be determined by checking original documents from the relevant authority, detailing receipt of the benefit and the address of the pupil.

The school will make second-hand school uniforms available for parents to access; access to these uniforms will be made available by enquiring at the school office.

The school will consider how pupils will be supported where they do not have the correct uniform, including who will be the point of contact for families and pupils who need support with uniform.

Parents will be invited to donate their child's uniform when they no longer need it.

11. Non-compliance

Before taking disciplinary action, the school will consider any reasons for non-compliance that may be outside of the pupil's control.

A considerate approach will be used to resolve any situations where it is suspected that financial hardship may be the reason a pupil has not complied with this policy.

Staff will be permitted to discipline pupils for breaching this policy, where relevant to their role, in accordance with the school's Behaviour and Support Policy. In cases where it is suspected that financial hardship has resulted in a pupil not complying with a school's published uniform policy, the school will be mindful and considerate to this situation.

Parents will be notified of pupils' breaches of school uniform in all cases.

Pupils must use an appropriately-sized waterproof bag to carry their books and equipment. It must hold A4-sized workbooks comfortably without causing any damage.

School bags featuring inappropriate images, slogans or phrases will not be permitted.

The school will discourage pupils from bringing valuable bags to school. The school will not be liable for lost or damaged school bags.

Hairstyles and headwear

The school reserves the right to make a judgement on whether a pupil's hairstyle, hair colour or headwear is inappropriate for the school environment; however, the school will ensure that any such judgements do not discriminate against any pupil by virtue of their protected characteristics. Each individual pupil's scenario will be taken into account where any judgements on appropriateness are to be made, and parents will always have the freedom to complain via the school's Complaints Policy and Procedure.

Pupils with long hair must ensure that this does not impede their vision, cover their face, or cause a health and safety risk. Long hair (touching the shoulders) must be tied up at all times.

The following hairstyles, hair colours and headwear are not considered appropriate for school:

- Brightly-coloured dyed hair

For hot temperatures, this includes wearing:

- Tops that cover the shoulder area.
- Sunglasses with UV protection when outside.

Pupils will be advised not to wear any jumpers or blazers during heatwaves. If outside during break times, pupils not wearing sun-safe clothing will be advised to stay in an area protected from the sun, or spare clothing is provided.

For cold temperatures, this includes wearing:

- Scarfs, gloves, coats and hats when outside.
- Warm jumpers.
- Trousers, or skirts and thick tights.

14. Labelling and lost property

Parents will be advised to ensure that all pupils' clothing and footwear is clearly labelled with their name and year group.

Any lost clothing will be taken to the office. All lost property will be retained for one term and will be disposed of if it is not collected within this time. Any named property will be returned to its rightful owner.

15. Non-uniform days and personal items

When planning non-uniform days, the school will consider:

- Any impact it may have on attendance.
- The expectations on appropriate clothing.
- The Behaviour and Support Policy.
- The ability of pupils from low-income families to fully take part, e.g. where costumes or dressing up are involved.
- That participation should not be dependent on parents or pupils making a financial contribution.

16. Monitoring and review

This policy will be reviewed annually by the chair of governors and the headteacher. The next scheduled review date for this policy is September 2027.

Any changes to this policy will be communicated to all staff, pupils, parents and other relevant stakeholders.
