Statement of intent

At North Curry C of E Primary School we understand that good behaviour and discipline is essential for promoting a high quality education.

At North Curry CE Primary School:

We believe that every child is unique and valued. We aim to provide an environment in which all pupils feel safe and can flourish. We will respond to individuals in ways which take into account their varied life experiences and particular needs. We are committed to providing an education with aspirational outcomes, which enables all pupils to make progress, become confident individuals living life in all its fullness (John 10,10).

In our school our Christian vision shapes all we do. Our vision is underpinned by the Christian values of Kindness and Love.

Amongst other disciplinary sanctions, the school recognises that exclusion of pupils may be necessary where there has been a serious breach, or consistent breaches, of the school's Behaviour and Support Policy. Excluding a pupil may also be required in instances where allowing the pupil to remain in school would be damaging to the education and welfare of themselves or others; in all cases, excluding pupils should only be used as a means of last resort.

The school has created this policy to clearly define the legal responsibilities of the headteacher, governing board and Trust when responding to pupil exclusions, to ensure that they are dealt with both fairly and lawfully, and in line with DfE statutory guidance.

This policy also aims to secure a pupil's right to an education despite having been excluded, by ensuring that appropriate arrangements are in place.

1 Introduction

- 1.1 North Curry C of E Primary School's exclusion policy aims to set out the process that will be followed and the additional considerations around suspensions and exclusions that the school/trust will apply. Good behaviour and self-discipline lead to effective learning and help prepare children and young people for life beyond the school gate.
- 1.2 Where North Curry C of E Primary School's approaches towards behaviour management have been exhausted, then suspensions and permanent exclusions will sometimes be necessary as a last resort. This is to ensure that other pupils and teaching staff are protected from disruption and can learn in safe, calm, and supportive environments.
- 1.3 The School will always have regard to the Statutory Guidance on Suspensions and Exclusions (May 2023) when making decisions on suspensions and exclusions and will follow the law, as set out in the relevant School Discipline (Pupil Exclusions and Reviews) (England) Regulation 2012 (as amended).
- 1.4 This policy should be read in conjunction with the behaviour and support policy and the SEND policy for the School.

2 Application of policy

- 2.1 This policy applies to all members of the School community. The School will apply suspensions and exclusions in accordance with this policy and ensure that its contents are relayed to all staff, parents and pupils.

3 Types of exclusion

Suspensions and permanent exclusions are different:

- 3.1 Suspensions (previously called fixed-term exclusions) are where a pupil is prevented from attending the school for a fixed period. At the end of the period, they are expected to return to school following a reintegration meeting. A pupil may receive a maximum 45 days of suspension in an academic year before being permanently excluded.
- 3.2 Permanent exclusions are where, subject to a decision of the governing board to reinstate the pupil to the school, the pupil is prevented from attending the school again. A decision to permanently exclude will only be taken in response to a serious breach or persistent breaches of the school's behaviour and support policy; and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others such as staff or pupils in the school.

4 Roles and responsibilities

All members of the school community are expected to follow this policy. Roles, responsibilities and expectations of each section of the school community are set out in detail below.

The Head teacher

- 4.1 All decisions to suspend or permanently exclude a pupil will be taken by the head teacher after considering all the circumstances. Every decision made will be proportionate to the seriousness of the behaviour with reference to the School's behaviour and support policy.

The Governors

- 4.2 The governing board is responsible for forming committees to review exclusions and suspensions when it is required to do so, it is requested by parents, or it is, in its view, prudent to review an individual decision. In each case, the decision of the relevant committee formed by the governing board will be to decide whether to uphold the exclusion or suspension, or instead to reinstate the pupil to the school.

Parents

- 4.3 Parents will be informed without delay of any suspension or exclusion and there is an ability to make representations in regard to any suspension or exclusion decision. Details will be provided on the rights parents have with every letter that is sent from the Head teacher.

Pupils

- 4.4 All pupils of the school are expected to follow the expectations regarding their behaviour to ensure that all pupils can learn and participate in school life effectively. Where those expectations are breached, the behaviour and support policy will apply.

5 Witness evidence and pupil views

- 5.1 Where witness evidence is relied upon, whether that be from a pupil or a staff member, the statement(s) will be provided at any Governors review meeting. All statements will be signed and dated unless the Head teacher has good reason to protect the anonymity of the relevant witness. Reasons may include threats of reprisals.
- 5.2 Before taking a decision to suspend or exclude and where appropriate, the head teacher will take the pupil's views into account, considering these in light of their age and understanding, and inform the pupil about how their views have been factored into any decision made. Where relevant, the pupil will be given support to express their view, including through advocates such as parents or, if the pupil has one, a social worker. The head teacher will also take account of any contributing factors identified after an incident of misbehaviour has occurred.

6 Reintegration strategy meetings following suspension or off-site direction

6.1 Where a pupil is suspended or is directed to be educated off-site, upon return to the school both the pupil and parents will be invited to a reintegration strategy meeting. The purpose of the meeting is to:

- 6.1.1 offer the pupil a fresh start,
- 6.1.2 help them understand the impact of their behaviour on themselves and others,
- 6.1.3 teach them to how meet the high expectations of behaviour in line with the school culture,
- 6.1.4 foster a renewed sense of belonging within the school community; and
- 6.1.5 build engagement with learning

so that further suspensions are not needed. School staff will work with the pupil to understand what led to the behaviour and to establish if any changes can be made or further support implemented from a pastoral or practical perspective that might reduce the chance of repeat behaviours. Previous behaviour is not seen as an obstacle to future success.

6.2 The school used various measures to support a pupil's successful reintegration including:

- 6.2.1 daily contact with the ELSA
- 6.2.2 use of a report card with personalised targets leading to personalised rewards;
- 6.2.3 ensuring the pupil receives academic support upon return to catch up on any lost progress;
- 6.2.4 planned ELSA interventions;
- 6.2.5 mentoring by a trusted adult;
- 6.2.6 regular reviews with the pupil and parents to praise progress being made and raise and address any concerns at an early stage; and
- 6.2.7 informing the pupil, parents and staff of potential external support.

6.3 Whilst reintegration meetings are highly encouraged by the School, pupils will not be prevented from being admitted to the School or being put in mainstream classes because a meeting has not taken place.

7 Cancelling a suspension or exclusion

7.1 A suspension or exclusion can be cancelled by the Head teacher as long as the suspension or exclusion has not been considered by the Governors. In relation to an
Adapted from the BrowneJacobson Suspension Policy

exclusion, it cannot be cancelled if the total time the pupil was excluded or suspended that academic year would be over 45 days at the point of the decision to cancel the exclusion.

- 7.2 Where a suspension or exclusion is cancelled, the relevant parties will be informed by the Head teacher in accordance with the Statutory Guidance on Suspensions and Exclusions.

8 Suspensions before a permanent exclusion

- 8.1 In exceptional circumstances, pupils may receive a suspension prior to a permanent exclusion. For each decision, the Head teacher will send the relevant letter setting out the rights of parents. A suspension cannot be converted into a permanent exclusion and so any subsequent permanent exclusion would be a fresh decision due to commence immediately after the suspension had ended. Exceptional circumstances may include where further evidence has come to light or where the incident was serious and time is required to fully investigate the circumstances and consider alternatives.

9 Directing off-site and managed moves

- 9.1 Before taking any decision to permanently exclude a pupil, the Head teacher will consider whether a direction to attend alternative provision and/or a managed move as part of a planned intervention would be a reasonable alternative that should be considered.
- 9.2 In the case of directing a pupil off-site to alternative provision, the aim of any direction is for it to be used as a short-term measure as part of the school's behaviour management strategy to improve a pupil's behaviour where in-school interventions and/or outreach have been unsuccessful or are deemed inappropriate. While parental consent is not needed, discussions would take place with parents to feed in their views about the options.
- 9.3 For a managed move to take place there needs to be agreement between the School, the parents and the new school that a managed move should occur. Before a managed move is agreed to, the pupil will attend the new school for a fixed period to ensure that the new school would be suitable for them. We will share relevant information with the new school and check that they have an integration strategy. At the end of this period, the relevant parties (including the parents) will review the placement before a decision is taken about whether the move becomes permanent.

10 Independent review panels (IRPs)

- 10.1 The School/Richard Huish Trust arranges its own IRPs, and requests for an IRP where a permanent exclusion has been upheld should be made to the Head teacher within 15 school days.
- 10.2 Further details on the role and powers of IRPs can be found in Part Ten of the Statutory Guidance on Exclusions and Suspensions.

11 Reconsideration by the governing board

Where an IRP either recommends reconsideration or quashes the initial decision of the governing board, the decision will be considered within 10 school days. This may involve a rehearing with oral evidence given by the School and parents or may be a reconsideration with only the governing board members and the clerk present.

12 Remote Meetings

12.1 Any Governor meeting and/or an IRP meeting may be conducted remotely where the parents request for it to be conducted remotely and the meeting can be fairly held remotely, with all participants having access and are able to make representations. A meeting may also take place remotely where there is an extraordinary event or unforeseen circumstance that means it's not reasonably practicable to hold the meeting in person. Such events can include, but are not limited to, floods, fire, and an outbreak of an infectious disease.

12.2 In addition, where a child's social worker or the virtual school head are due to attend a meeting, they may join an in-person meeting remotely as long as it can be fairly accessed, the technology is available, and everyone would be able to make representations.

13 Complaints

If parents have any concerns or complaints over the application or implementation of this policy or feels that they are being pressured into a managed move, they should raise their concerns with a staff member or the Head teacher. in accordance with the Richard Huish Trust's complaints policy. If the concern relates to an exclusion, the statutory procedure set out in the Statutory Guidance on Exclusions and Suspensions will be followed.

14 Equality impact

The School does all it can to ensure that its policies do not discriminate against pupils or others, either directly or indirectly, in line with any Equality Act 2010 protected characteristics. This includes race, religion, disability, sexual orientation, and sex.

15 Monitoring arrangements

The Governors review data on suspensions and exclusions to ensure that the use of suspensions and exclusions is appropriate. The following are monitored by the Governors to ensure the processes and support for pupils are appropriate:

- 15.1.1 the interventions put in place for pupils at risk of suspension and permanent exclusion
- 15.1.2 the processes in place for determining and reviewing directions to alternative provision and that such placements are reviewed at sufficient intervals to

assure that the education is achieving its objectives and that pupils are benefiting from it

- 15.1.3 full-time educational provision for pupils of compulsory school age from the sixth consecutive school day of a suspension, in particular checking the provision is suitable and quality-assured to ensure that:
- (a) any previous placements have been evaluated, including support for any applicable SEND;
 - (b) there is a process in place to monitor the pupil's attendance and behaviour at the provision
 - (c) the correct attendance code is being used
 - (d) the pupil's child protection file and any other information relevant to the pupil's safeguarding and welfare has been securely transferred to their new setting as early as possible
- 15.1.4 whether there is any variation within the year on suspensions and permanent exclusions and the characteristics of pupils
- 15.1.5 the cost implications of directing children to be educated off-site in alternative provision and whether there are any patterns to the reasons or timing of moves
- (a) whether the school register and absence codes have been recorded correctly
 - (b) how the behaviour and support policy is applied and specifically its consistency
 - (c) the circumstances in which pupils receive repeat suspensions
 - (d) whether Personal Education Plans for looked after children have been reviewed on a termly basis

The headteacher will review this policy on an annual basis, considering feedback from practitioners on the effectiveness of the identified support for transition and in light of changes to the law or statutory guidance, and will make any changes necessary.

The next scheduled review date is September 2027.
